Choose the best school for your child

Overseas boarding schools offer students a world class education as a pathway to top UK and international universities. Typical school entry points are at ages 12, 14 and 16 and your child will be fully supported to become an independent young adult. Experienced boarding staff will guide and support your child's university application ensuring they progress to their global university of choice – confident, happy and able.

With our network of 450+ boarding schools and over 11 years of experience, we provide expert insight and tailored support – so why do it yourself? Let our experienced, professional consultants – **Boarding Schools' Association** accredited and **British Council** qualified – find the best matched school for your child.

Alongside our bespoke matching, we provide all the support you need during the application and acceptance process as well as visa application expertise for the whole family too.

Once at school, we continue our support with our AEGIS Gold standard and BSA accredited UK-wide guardianship – ensuring your child is safe, happy and successful. We've got everything covered from airport transports, liaising with school, matching your child with a supportive local family, organising exciting escorted holiday trips and of course any emergencies. We want the best for your child and offer the same level of support that we would expect for our own family.

Join the Academic Families' international family and together we can ensure your child has the best education and opportunities possible. Lorna Clayton MBE, Managing Director and Founder of Academic Families

Website: www.correctbook.com/

Every day 250 million children go to school without writing material. One of the results of this is that worldwide more than 750 million people of fifteen years and older are illiterate. In 2014 Correctbook founder Sam saw with his own eyes how children in South Africa were at school without pen or paper. The material was too expensive for them and used up quickly. That is why we decided to take action. We started Correctbook, the erasable notebook that can be used endlessly. It improves education possibilities and saves a lot of paper. With the purchase of your Correctbook, we can provide one child in a developing area with this erasable writing materials. Together we make writing accessible to everyone in the world!

The Waridi

The Waridi cottage, Lavington, opens its doors in April 2024. We envision a special and tranquil place where learners can experience a sense of calm.

Our mission is to embrace flexibility, catering to alternative learning experiences and for homeschoolers with programs that adapt to diverse schedules. Our engaging and creative learning environment seeks to extend beyond traditional classrooms, catering to families with tailor-made learning programs. Our commitment is to make learning delightful and personalised for every child, wherever they are.

If your child benefits from personalised attention, our one-on-one guidance will ensure that their educational journey is finely tuned to their specific needs and aspirations. At Waridi, we recognize that every young mind is exceptional, and our mission is to provide a nurturing haven. for those who thrive under less pressure, seek creativity and excel in small groups. We also offer home support, counseling and mentoring. To book a consultation send a WhatsApp message to 0703453550 and we will gladly get back.

Kinetic Education

In the last 5 years, our local universities have closed 40% of their programs because they are not aligned with the needs of the market. According to the World Economic Forum, 65% of students today will fill job categories that don't currently exist. So then the question is how do we prepare young people to meet the demands of the 21st Century?

Success in today's world requires practical, applicable just in time skills, unfortunately our education system is struggling to keep pace with this reality. At Kinetic, we are addressing these gaps. We are on a mission to nurture the next generation of entrepreneurs and problem solvers and we have developed an immersive & practical entrepreneurship learning experience that's delivered on an online platform.

We have seen an overwhelming demand from schools to adopt programs like ours that prepare their students for the demands of the fast paced world we live in. We have partnered with a number of schools including Crawford School and Braeside School. Because of this demand and the impact our program has had on students, we have now opened up this opportunity to more students via our Entrepreneurship Holiday bootcamp.

The Entrepreneurship holiday bootcamp is a 2 weeks program for high school students between the ages of 12-17. This program allows students to go through the process of Entrepreneurship from Business ideation to Go To Market. They will undertake practical tasks in small teams, which will help them develop problem-solving and critical thinking skills. Additionally, it will sharpen their collaboration, communication and execution skills, all the while being empowered with an Entrepreneurial mindset.

Call/WhatsApp: +254 (0)798 226480
Email: officesenior@turimail.co.ke
Website: www.standrewsturi.com

As a Round Square School, we are committed to protecting and nurturing the beautiful environment around us. We have a number of student-led environmental groups who work with the Estate Team to manage and address environmental issues. In the past they have looked at: recycling, education on biodiversity, sustainable sources of energy and indigenous forests.

Away from the hustle and bustle of the cities, the Turi experience guarantees superior academic support, cosy boarding facilities, strong pastoral and safeguarding care, numerous exciting co-curricular activities and consistent Christian guidance; all to be enjoyed in the beautiful Rift valley countryside setting.

Kenton College Preparatory School

**Kenton College
Preparatory School**

Call/WhatsApp: 0722 205038

Email: admin@kenton.ac.ke

Website: www.kentonschoolnairobi.com

Our vision for Kenton Early Years is for all children to start their Kenton Learning Journey in a creative, innovative, unique, safe and natural environment which enables them to develop a lifelong love of learning.

Located in the leafy suburb of Kileleshwa in Nairobi, pupils at Kenton College Preparatory School enjoy 35 acres of excellent facilities and an outstanding education in a friendly and welcoming international school community.

Kenton College aims to provide a purposeful and happy environment, with opportunities for children of all races between the ages of 6 and 13 years to discover and exploit talents and strengths, and so develop academically, culturally, physically, socially and spiritually. The caring and supportive character of the school enables children to flourish in a community where values of honesty, self-reliance, co-operation, respect for and consideration of others are nurtured.

The Early Years at Kenton will be a wonderful place where all children are valued as individuals and where relationships are strong between children and their peers and between children and the adults surrounding them. The emphasis on children leading their own learning, with the guidance of highly skilled practitioners, means that when the children leave the Early Years they will be independent, risk-taking individuals who are ready for the next stages in their learning.

Hillcrest International Schools

Kenya

Hillcrest International Schools
Call/WhatsApp: +254 (0) 710 600 359
Email: admin@hillcrest.ac.ke
Website: www.hillcrest.braeburn.com

A truly international school, with a large diversity of cultures and backgrounds, Hillcrest is built on a philosophy of inclusion, cooperation and mutual respect for each other as well as an awareness and confidence in ourselves. Our mainstay is to nurture confident, well adjusted, socially responsible young citizens who have respect for, and make the most of, the richly varied environment and community in which they have the privilege to live and learn.

Our personalised approach to learning enables our teachers to match and stretch individual students of all levels to achieve their best, as we are keenly aware that good academic qualifications contribute to improved career opportunities. We also recognise the fact that high levels of achievement are a collaborative effort, and at Hillcrest, students, staff, and parents work closely together in order to achieve exemplary results.

Hillcrest Secondary School was established in 1975 and was built in the current school's location. It started with an enrollment of 54 students and three classrooms. At the time, it was among a few schools offering students Cambridge Overseas 'O' and 'A' level examinations and certification.

With reference to its school motto, Semper Prospice, Hillcrest International Schools is always looking forward. Therefore, it has evolved over the years. Presently, each school is located adjacent to each other in the Karen-Langa'ta area (Nairobi). The trio of schools was completed following the inclusion of Forest Edge in 2000, which later became Hillcrest Early Years.

St. Christopher's International School

St. Christopher's International School

Call/WhatsApp: +254723392957

Email: info@scsinternational.sc.ke

Website: www.scsinternational.sc.ke

St. Christopher's International School is a co-educational, independent, British International School located in the leafy suburb of Karen. We believe that a broad and balanced curriculum is essential as pupils move through their school life. One that is grounded in Christian ethos and is pupil centred, value-based and driven forward by pupils making sense of the world they live in and also their place within it; developing a passion for learning rather than a need to simply acquire and recite facts.

With access to world-class facilities and inspiring educators, we offer our pupils the opportunities to deepen their understanding, challenge opinions and in doing so widen their horizons as they prepare for the world that awaits them when they leave school; allowing them to feel unique, yet very much a part of a special St. Christopher's family.

At the forefront of our pupil-centred approach is an environment which is inquiry-led and aims to provide our learners with the 'Big Picture', making their learning experiences meaningful as we grow their international mindfulness and understanding of the world.

For 40 years our teachers have continued to challenge our pupils to become the very best versions of themselves, prepared to enter the world as truly global citizens; with faith, respect, empathy and compassion.

The Aga Khan Academy Mombasa

The Aga Khan Academy Mombasa
Call/WhatsApp: 0735 931 144 / 0720 631 144
Website: www.agakhanacademies.org

The Aga Khan Academy Mombasa is part of a global network of day/residential schools for high-achieving students in Grades 1-12. The outlook and educational perspectives of the Aga Khan Academies network are based on the vision of His Highness the Aga Khan. The aim of the Academies is to develop future leaders with the skills and knowledge to support positive development in their societies.

At the Aga Khan Academy Mombasa, we provide education of the highest international standard that prepares students from international, inter-cultural and inter-faith backgrounds to succeed in an increasingly global world. The Academy is one of the largest and highest performing IB World Schools in Africa offering PYP, MYP and DP programmes. Our students consistently attain IB DP results well above the world average. Over the last three years, students have been offered over USD 20 million to attend top universities around the world.

Overlooking the Indian Ocean, our stunning campus inspires students and they use the resources to flourish in their learning. Our students are given the guidance and mentoring to become socially adept, independent, and confident young people.

West Nairobi School

West Nairobi School

Address: 18 Miotoni Ln, Karen, Nairobi, Kenya

Call/WhatsApp: +254 709-331-000

Email: info@westnairobischool.org

Website: www.westnairobischool.org

West Nairobi School, located in Karen, Nairobi, is a beacon of educational excellence in Kenya, offering a comprehensive American curriculum from Kindergarten to 12th grade. Founded to empower students for an evolving world, WNS provides a nurturing environment alongside rigorous academics and diverse extracurriculars like sports and community service. Situated amidst Karen's lush greenery, the campus boasts modern facilities fostering a conducive learning environment. Dedicated faculty serve as mentors, nurturing critical thinking, creativity, and global citizenship. The school's goal is to produce graduates who excel academically and contribute positively to society. Expected outcomes include academic mastery, analytical problem-solving, innovative thinking, and embracing diversity with empathy. Through holistic education, West Nairobi School aims to shape individuals who thrive academically, make meaningful contributions, and navigate a globalized world with integrity and compassion.

German School Nairobi

Kenya

German School Nairobi
Address: Limuru Road, Gigiri (opposite Village Market)
Call/WhatsApp: +254 (0)721-25 84 17
Email: info@germanschool.co.ke
Website: www.dsnairobi.de/

The international kindergarten of the German School is a bilingual full-day kindergarten for children between 18 months and six years.

In the school year 2022/23, 124 children attend our kindergarten, who are cared for in 7 groups - each by a German and an English-speaking educator/assistant. The kindergarten is open from Monday to Thursday from 7:30 a.m. to 3:30 p.m., and on Fridays from 7:30 a.m. to 1 p.m. (half-day).

The goals and focus of our pedagogical work are social education, language education, and nature as an educational field. We want to ensure that the development of each child is optimally supported through a differentiated and individual style of upbringing, education, and care.

As a German kindergarten abroad, we are strongly challenged to orient ourselves to the different family life situations of the children. The basis of our work is to create a solid social environment, both for children who grow up bilingual or trilingual and for German-speaking children who are influenced by the (frequent) change of residence. In all our activities, we place special emphasis on the teaching of social values and place the development of personality and the formation of social contacts at the center of our pedagogical activities.

The children entrusted to us should grow up as "little" personalities; playing and learning without stress and worries. Nature as a field of education and daily experiences with nature on the school grounds or during excursions contribute significantly to this in the daily kindergarten routine.

Rophine Field International School

Rophine Field International School

Call/WhatsApp: +0702959299

Email: info@rophinefieldschool.sc.ke

Website: www.rophinefieldjuniorschools.co.ke/

Rophine Field International School was established with the intention of setting a global standard for value-based education. We strive to be a brilliant learning institution that is inclusive, ambitious for all and innovative in practice.

In keeping with the school mission and vision the school lays great emphasis on academics whilst giving its due importance to encouraging students to become confident, responsible, reflective, innovative and engaged.

The curriculum

We are committed to delivering a rich and creative curriculum through a combination of thematic studies and discrete subject teaching. Our curriculum is broad, balanced and wide enough for children to experience a range of subjects and themes within the appropriate limits of their development and maturity. Our aim is to develop literate, numerate and technologically competent individuals.

Our Campus Includes EYFS- KG1 - reception, KS1&2- Primary year 1 – 6 and KS3/KS4 year 7 – 11.

Kiota School

Kenya

36

Kiota School

Address: Dennis Pritt Rd Opp. Red Cross Nairobi Keny

Call/WhatsApp: +254 798 703 101 | +254 724 535 858

Email: info@kiotaschool.com

Website: www.kiotaschool.com/

KIOTA is the Swahili word for Nest: A safe place, where we nurture young minds to positively impact the world. Kiota School is a child-centered institution that prides itself in providing an environment where children can thrive. At the core of our approach is the nurturing of Christian and Biblical principles aimed at raising an all-rounded child. Our mission is to discover, nurture, and inspire young minds to achieve their potential. Our values are: K for Kindness - we are kind and respectful to all. I for Integrity- we strive to always keep our word. O for Openness-we tell the truth. T for Teamwork- we leave no one behind. A for Adoration- we love God and each other.

Kiota offers inquiry-based learning; an approach to learning that emphasizes the student's role in the learning process rather than teacher directed learning. Students are encouraged to explore and research learning material, ask questions and share ideas.

We cater for children 2-15 years old at the moment and are located along Dennis Pritt Road and Kasuku Road off Lenana Road, Kilimani and also, Mokoyeti Road East in Karen. We are a Christian non-denominational institution that offers an integration of Montessori and CBC at Kindergarten, CBC for Primary and Junior Secondary and Cambridge Curriculum's Key Stage 3; which begins at Year 7, an equivalent of Grade 7 in CBC's Junior Secondary School.

Cambridge Lower Secondary allows for a broad and balanced education for the learners, helping them to thrive throughout their schooling. We offer 12 Subjects areas with Mathematics, Integrated Science, and English as our main subjects. The learners then make a smooth transition to Senior Secondary and eventually to University. Cambridge Curriculum is offered in over 160 Countries around the World and is also highly regarded by employers all over the world.

37

Makini School Cambridge

Makini School

Call/WhatsApp: 020 3871874

Email: admissions@makinischool.com

Website: www.makinischool.ac.ke

Makini Cambridge School provides high-quality and affordable international education in a safe, inclusive, and nurturing learning environment that promotes positive social interactions and emotional growth. The curriculum is designed to be student-centered where learners are encouraged to take an active role in their learning with an international focus. This approach helps learners to develop critical thinking, problem-solving, and research skills. Makini CambridgeSchool uses a variety of assessment methods, including exams, coursework, and practical assessments.

This helps students develop a range of skills that provides a comprehensive picture of their academic progress and achievements. Beyond academics, we emphasize equipping learners with the 21st century skills such as fostering teamwork, cooperation, through our extra curriculum offer such as football, swimming, and encourage understanding of global issues, cultures, and perspectives

SABIS International School-Runda

Sabis International School
Call/WhatsApp: +254 743 162 670
Email: info@sabisrunda.sabis.net
Website: sabisrunda.sabis.net

SABIS® International School – Runda (SABIS® Runda) is a member of the SABIS® Network. It is a multinational, non-selective, co-educational, and independent school that serves both the local and international communities.

Starting in Kindergarten and continuing until graduation, the curriculum at SABIS® Runda covers a broad range of academic subjects. The academic program enables students to develop fluency in English, French, and Kiswahili. Strong emphasis is placed on English and math, as well as the sciences in secondary school, where its students prepare for external exams such as the British-based IGCSEs, and the U.S.-based Advanced Placement® (AP®) program.

One key aspect of the school is the SABIS® Student Life Organization (SLO), a student-led mini-society that empowers students to get involved in the day-to-day experience at their school and offers countless academic, social, and emotional benefits for everyone involved.

The school is situated on a beautiful, spacious 20-acre campus within the Runda neighborhood. The state-of-the-art campus includes academic buildings, a mini-gymnasium, and a pool dedicated to our Kindergartners. The school also includes a semi-Olympic-sized swimming pool with a very large and well-equipped sports hall, outdoor tennis courts, sports fields, a superb, all-season running track, a performing arts center, a cafeteria, and boarding facilities.

SABIS® Runda implements the SABIS® Educational System, an educational approach that has been developed, refined, and tested for over a century. With a balance of academics, life preparation, and self-development, this approach prepares its students for success in college, fosters a lifelong interest in learning, and develops responsible worldclass citizens.

The Academy of Dance and Art

The Academy of Dance and Art

Address: Rhino House, Karen Rd

Call/WhatsApp: +254790499377

Email: dance@academyonline.me

Website: www.academyofdanceandart.com

The Academy of Dance and Art is a dance haven meant to offer Kenyans real time opportunity and experience to an array of dance styles and techniques. It is essentially a place where artistic and academic growth of students is nurtured to enable them fulfill their greatest potential.

The Academy of Dance and Art is a member of the Royal Academy of Dance founded by Pernille Duckworth in 2009. This was inspired by the need to render to Kenyans similar opportunities in the field of dance as experienced in Europe, America and South Africa.

The Academy is guided by RAD Registered Teachers and Executive Director Juliet Duckworth (Founder of ORIGINS.) The Academy of Dance and Art studios are conveniently located within Nairobi with one being at Rhino House-Karen Road and the other at Iregi Road 5th Parklands. These studios cater to students from all walks of life and is a doorway to the field of performing arts and dance in the

broadest sense possible. The Academy offers contemporary, modern ballet, jazz, tap, ballroom, hip-hop, voice lessons, piano lessons, guitar lessons and musical theatre class. Ballet lessons are offered to both children and adults and enjoyed in equal measure and is known to improve balance, co-ordination, stamina, spatial awareness to name but a few. Fitness activities such as gymnastics, zumba, pilates, yoga, and martial arts are also taught.

Greensteds International School

Greensteds International School

Call/WhatsApp: +254726-568583 / +254717-236650

Email: office@greenstedsschool.com

Website: www.greenstedsschool.com

Greensteds International School is an academically non-selective school and the education we offer extends beyond the academic. We take pride in providing opportunities for each child to develop skills that will support growth in their individual personalities, passions, co-curricular activities, community involvement and sporting endeavors.

Set in a serene environment with lush green grounds overlooking the Great Rift Valley and a warm ambiance, the school offers students the opportunity to thrive in a homely setting whilst enjoying the conveniences of modern living. One of the greatest strengths of this school is the students themselves, who actively and positively contribute to creating a school that is inclusive, supportive, and enjoyable. As a community, we help students to understand the importance of academics in conjunction with co-curricular and personal development.

We believe that moral excellence and character development is an end in itself and we seek to be intentional about character education, our aim being that our students will grow into servant-hearted leaders embracing diversity with respect and daring to challenge and accept challenges constructively.

Our students encounter consistent expectations, role models, and traditions, which help them feel part of the Greensteds family and encourage them to begin taking charge for themselves and others.

We are always keen to hear from our present and potential stakeholders.

www.novapioneer.com

Nova Pioneer

Call/WhatsApp: 0758713109

Website: www.novapioneer.com

Nova Pioneer has for the past 9 years delivered its unique learning approach using best practices from across the world. In Kenya, Nova Pioneer has delivered the National Curriculum (8-4-4 & CBC) and in South Africa, we have delivered the Cambridge Curriculum.

We are excited to announce that with the experience we have from delivering Cambridge Curriculum in South Africa, we are launching Cambridge Curriculum in addition to 8-4-4 & CBC at our Nova Pioneer Tatu City International School, open to day scholars. Cambridge Year 7 (equivalent to CBC Grade 6) will be offered from September 2024. The plan from 2025 would be to have additional years and expand the curriculum across other years (not just limited to Year 7).

Our bridging programme is available from January to August for Grade 6 CBC students (2024) interested in joining Year 7 at the start of the academic year in September 2024.

St. Contantine's International School

St. Contantine's International School

Call/WhatsApp: +255 753 871 855

Email: enquiries@scis.sc.tz

Website: www.scis.sc.tz

Established in 1951, St. Constantine's International School (SCIS) stands as Tanzania's pioneering international educational institution. Nestled in the heart of northern Tanzania in the vibrant city of Arusha, also known as the Geneva of Africa due to the high number of international organisations based there, SCIS is not only the oldest but also the largest international school in the region. Committed to fostering academic excellence, SCIS operates as a non-profit, non-denominational, co-educational institution offering both day and boarding options.

SCIS proudly follows the Cambridge International curriculum up to Year 8. As students progress, they undertake the rigorous Cambridge IGCSEs in Years 9-11 and complete their education with the esteemed Cambridge A-level program in Years 12 and 13. Additionally, SCIS is an esteemed member of the Round Square network, emphasising character education and global citizenship. The school also offers an extensive university and career guidance programme with successful alumni scattered across the globe.

With a diverse student body hailing from over 30 countries, SCIS provides a rich multicultural environment for approximately 600 students. Our picturesque Main Campus, situated at the base of Mount Meru, Africa's fifth highest mountain, boasts lush gardens, expansive playing fields, and proximity to the renowned northern game park circuit.

Braeburn International School Arusha

Braeburn International School Arusha

Address: Kisongo, 14km west of Arusha

Call/WhatsApp: +255 (0) 759 123 124

Email: enquiries.arusha@braeburn.sc.tz

Website: www.arusha.braeburn.com/

Braeburn International School Arusha is one of East Africa's best kept secrets: a relatively small school, hidden just 14 km outside Arusha, in the tiny village of Kisongo, its achievements have been recognized four years running on the international stage.

The British exam board, Edexcel has awarded the school a silver certificate as being one of the best vocational training centres in the world and three of its students and one of its teachers over the last four years have achieved international recognition as the best students or teachers in the world, within their field of study. It is an incredible and inspiring place to be.

Perhaps that's why people from around the world have started to sign up to this hidden gem of a school and in the last year, students have been enrolled from the UK, Hong Kong, Brunei and Papua New Guinea, as well as from our neighbouring East African countries of Kenya, Uganda and Rwanda. And our boarding house is set up to support these students from far-away places: it picks students up from the airport or from the Kenyan border; organizes student permits and puts on activities over the half terms – so that students don't have to go home for each of the smaller breaks!

Website: www.greenhillsacademy.rw

Welcome to Green Hills Academy, where excellence in education meets a world of opportunities. As an authorised International Baccalaureate (IB) World School, we are proud to provide an exceptional learning environment for students of all ages.

From Nursery 1 to Grade 12, our dedicated faculty and staff are committed to nurturing your child's intellectual growth, character development, and preparation for the challenges of higher education. With the IB Primary Years Programme, Middle Years Programme, Diploma Programme, and Career Program, Green Hills Academy offers a seamless, globally recognized education that equips students for university and successful lives.

Our commitment extends beyond academics. For those who choose to reside on campus, our modern Boarding House accommodates nearly 100 students, ensuring a safe, nurturing environment. Separate wings for boys and girls, along with low student-to-room ratios, offer individualised attention. Solar-heated water, laundry facilities, and a backup generator guarantee a comfortable and secure living experience. Our Boarding House thrives on dedicated House Parents and staff who provide support and supervision.

Weekends are a blend of relaxation and engagement, offering sports tournaments, service-learning projects, trips, cinema visits, and more. Students also have access to sports facilities, including football fields, a basketball gym, and a swimming pool, all under expert guidance.

Cambridge Checkpoint: Our students take Cambridge Checkpoint exams at Year 6 and Year 9. This helps them develop a strong foundation for their academic journey.

Special Needs Department: We have a dedicated department that supports students with special needs. Our goal is to foster growth, confidence, and success for every student.

ESL Support: Our ESL department is designed to provide support to non-native English speakers. We believe in creating an inclusive learning environment where everyone can thrive.

BTEC Program: Our BTEC program is designed to equip students with practical skills that will benefit them in various career paths. We believe in providing a well-rounded education that prepares our students for the real world.

BEDE'S

Bede's Senior School is an independent, co-educational school for pupils from the age of 13 to 18, offering both day and boarding places. Bede's is located in the heart of the beautiful Sussex countryside, in the rural village of Upper Dicker in East Sussex, just over an hour from London.

At Bede's, we believe that every child is unique, each possessing individual and sometimes hidden talents. Bede's fosters a community of curiosity which encourages every individual to find and develop their passions, seek new horizons, develop lasting friendships and achieve their potential.

Website: www.bedes.org

The school champions choice at every turn. Each Bedian is nurtured to find joy in their pursuit of brilliance, to develop a genuine love of learning. This culture of compassion and conscientiousness enables Bede's to nurture inquisitive minds and, in combination with the opportunities its campus provides, create unforgettable memories.

Bede's is a truly unique place to be - it has its very own zoo, caring for over 70 different species. It is also home to Legat Dance Academy - a school of dance whereby pupils align the dual demands of dance training alongside a high quality academic programme. Bede's also boasts a year round sports programme that provides pupils the choice to focus on their favourite sports all year round rather than seasonally.

Bede's is a place where every pupil is truly treated as an individual and where they are enriched in a holistic way – enabling them to flourish in all aspects of life.

Cranleigh School

United Kingdom

66

CRANLEIGH
EX CULTU ROBUR

A British Boarding School that Welcomes the World.

Cranleigh is Surrey's leading co-educational independent school, offering boarding and day education for pupils aged 13 to 18. We are a school of 700, 400 boys and 300 girls. We provide a breathtaking range of opportunities in a school small enough for everyone to know and support one another. Although we welcome both boarding and day pupils, our school is full boarding in spirit; day pupils are fully included in house life and contribute much to its vitality. Our examination achievements and university entrance figures continue to excel. Our distinctive approach to learning, Cranleigh Thinking, encourages all students to think in more depth than the exam syllabuses require

'AN ALL-ROUNDER'S PARADISE, YES, BUT THE ACADEMIC OFFERING CAN STAND UP TO ALMOST ANY SCHOOL IN THE LAND.'

KINGHAM HILL
SCHOOL

Kingham, Chipping Norton

Address: Chipping Norton, Oxfordshire, OX7 6TH

Call/WhatsApp: 01608 658999

Website: www.kinghamhill.org.uk

Kingham Hill School is an independent, co-educational, day and boarding school for pupils aged 11-18. Set in 105 acres of glorious Cotswold countryside, it provides the perfect environment in which to study, relax and be active. With Kingham station on the school's doorstep, Oxford, Worcester and Evesham are short train rides away, with London Paddington just 90 minutes direct.

The school prides itself on its commitment to the individual. Every pupil is valued and encouraged to develop their own character and talents to the full. Confidence and maturity are nurtured by experienced academic and pastoral staff, in an atmosphere of opportunity and enquiry, with excellent structures of care in a stunning country setting.

Helping every pupil fulfil their academic potential has long been a hallmark of Kingham Hill. In 2023, 47% of GCSE results were at grades 9-7, with 51% of A level results at Grades A*-A. Kingham is consistently in the top 5% nationally for value-added, with the majority of Sixth Form leavers securing Russell Group (or equivalent) destinations.

Education at Kingham Hill is, however, about so much more than qualifications, important though they are. It is also about equipping young people with qualities that will help them flourish in life beyond the Hill. There is something for everyone, with over 60 regular clubs and activities on offer to educate, enrich, challenge and engage pupils of all ages.

Queen Ethelburga's Collegiate

Address: Thorpe Underwood Estate, York, YO26 9SS UK-

Call/WhatsApp: 01608 658999

Email: qeoffice@qe.org

Website: www.qe.org

Set in more than 220 acres of beautiful North Yorkshire countryside, Queen Ethelburga's Collegiate has provided students with a vibrant and supportive school community since 1912.

Queen Ethelburga's welcomes girls and boys from 3 months to 19 years old and supports them through four schools to become resilient, confident and independent young adults who are well prepared for their future. The curriculum is broad, creative and challenging, allowing students to pursue their own areas of interest, develop their skills and make excellent progress. As one of the first independent schools in the country to offer vocational BTEC qualifications, we have demonstrated a forward-thinking approach to best support our students.

QE is also proud of its excellent sports facilities. The campus Sports Village is home to a 25-metre swimming pool, triple-court sports hall, fitness suite and free weights centre. Outside facilities include a four-lane cushioned running track and multi-use courts, in addition to over 30 acres of grass and specialist artificial pitches. The Performance Sports Programme (PSP) offers a higher level of coaching beyond playing recreationally and provides rehabilitation and post-training recovery at our Sports Treatment Centre.

With 53 different nationalities amongst its student community today, the student experience at Queen Ethelburga's Collegiate is an enriching one. We celebrate this incredible cultural diversity, encouraging and respecting individuality whilst fostering a sense of community across the Collegiate. We have truly embraced the challenge of providing for, and supporting, such a diverse range of needs.

71

Royal High School Bath

72

Set in secure grounds, Royal High School Bath is within walking distance of the historic City of Bath. We offer homely and stylish, modern living for girls in Years 7-11 and in the separate Sixth Form boarding house. We welcome a diverse, international group of girls into our boarding houses and pride ourselves in providing a home away from home where our students can develop their sense of confidence and build a network of international friendships that will span a lifetime.

Email: royalhigh@rhsb.gdst.net

Website: www.royalhighbath.gdst.net

Sixth Form students can choose either A Level or International Baccalaureate Diploma Programme as their pathway to university and students consistently achieve excellent grades and access to their first-choice university in the UK and overseas. IB students achieve well above the global average and in 2023 Royal High School Bath achieved an average point score per student of 34.8.

Students are supported to be the best they can be today and in their lives beyond school; in all that they do, Royal High School Bath students are girls making their mark.

73

Warwick School

United Kingdom

74

Warwick School is one of a UK's leading schools for boys, being voted 'Independent Boys School of the Year' at the 2022 Independent Schools Awards. Established c.914, it is one of the oldest boys' schools in England, and it welcomes boarders from Year 9. The school has always provided an education in the broadest sense, seeking to develop the talents of each and every pupil, always guided by the school motto, Altiora Peto, 'I seek higher things.' Offering the GCSE and A Level curriculum, the school is particularly strong in sports, music and science.

Call/WhatsApp: .01926 494485

Email: enquiries@kingshighwarwick.co.uk

Website: www.kingshighwarwick.co.uk/

King's High School is a leading girls school and in Sept 2023, it welcomed Sixth Form boarders for the first time. The school has been crowned the winner of the 2023's Independent School Association's Award for Future and it not only succeeds academically with very strong GCSE and A Level results, it also boasts specialisms in STEM, leadership and music.

Head Master, Dr Stephen Burley is passionate about educating the Changemakers of the future – young women who will go out into the world and make a positive difference, inspired by strong values and a powerful sense of social responsibility.

Eerde International Boarding School

Call/WhatsApp: +31 (0)529 451 452

Email: admission@eerdeibs.nl

Website: www.eerde.com

A unique study destination offering IBDP, IGCSE, and the US High School Diploma.

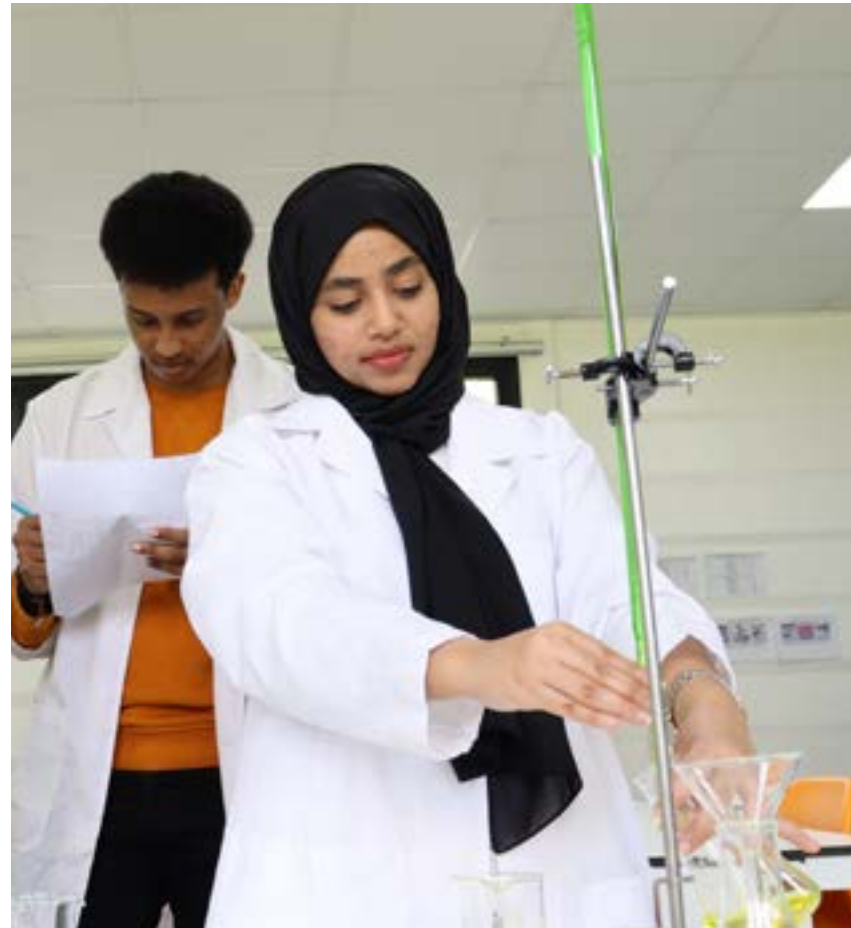

The learning experience at Eerde is international, intercultural and individual with personal attention and support for each student. Eerde is a place where your child can learn, live and develop. Located on a tranquil estate in the Netherlands, Eerde provides a serene escape from city life and the traditional school model. Eerde is home to students from more than 20 countries, eager to embrace new educational opportunities. While Eerde Castle remains the center of campus, the classrooms and learning spaces are located in the modern school building and deeply integrated into the campus environment.

Eerde is consciously small-scale to ensure individual attention for all students. Our approach will allow your child to discover their true potential and will empower them to develop personal leadership and life skills.

Our boarders live in cozy rooms and are looked after by certified boarding staff members, who are dedicated to creating a happy and safe home. Students enjoy a range of team sports and have the opportunity to join competitive sport clubs in the area. In addition, many students are involved in swimming, rowing, and equestrian activities.

We believe that each students' potential lies within, we simply provide the educational tools, diverse experiences and encouraging environment, shaping their path to success.
